

Dear Parents

We've had a very exciting week with further developments of JIMS Language Centre, the start of our day-time English class for parents, our Student Council elections, work on our newspaper *The JIMS Echo*, the PTA Annual General Meeting, the growing number of students wearing JIMS' new uniform, while the workmen are putting the finishing touches on the Basket Ball Court.

JIMS STUDENT COUNCIL

JIMS Student Council has been voted in during the past week. Each class now has a representative and we are about to begin our weekly meetings. Every Monday during lunch, the representatives from each class will meet in the special Student Council room on Level 3. All the Student Council members will meet weekly to discuss student activities and general student initiatives while we enjoy our lunch together. The lower grade representatives will have an older member that acts as a leader and helps guide them with their duties.

Hopefully we'll be able to cultivate leadership and responsibility within all our Student Council members with this programme. We hope the Student Council will act as a spring-board for internal issues and expectations our students here at JIMS may have involving their school. It is an exciting job, filled with responsibility, communication, and a sense of prestige. We are very proud of our Student Council and their desire to act as responsible representation for our students. We look forward to the positive influence they will surely have on our student community here at JIMS.

JIMS LANGUAGE CENTRE

The Language Centre is attracting large numbers of students which proved there is a great need for this support system to help students even more quickly than before.

Please note:

- The intensive Beginners class runs on Mondays **AND** Wednesdays from 2.30-**4.00pm**. They must attend BOTH sessions.
- Single sessions can be on Tuesdays or Thursdays or Fridays (all 2.30-**3.30pm**). The more sessions you select the faster the progress! Some students attend 5 times a week.
- The intensive Parents Class runs on Mondays **AND** Wednesdays (8.30-10am). We still need more students to make this a viable proposition. (Cost: Rp.1,500,000 for 12 weeks)
- All classes are at Beginners level, but we expect to introduce Intermediate level classes as soon as possible.

The Language Centre is running well!

Congratulations and thanks to Mr John, Mr Todd, Ms Mairi and Mr Hoerry!
