

Dear Parents

Last week, most of the school took part in the World Maths Day competitions. Congratulations too all students who also received a special certificate. Many thanks to Ms Emma for organising the various events. Here are the results for the secondary school.

## REPLACEMENTS: Football & Baseball ASA

Since there was no ASA on 26 February or 01 March, the following dates are replacements for the missed sessions:

Mon 22 March: BASEBALL Replacement  
Fri 26 March: FOOTBALL Replacement

## MID-SEMESTER REPORTS

The first mid-semester report is due to be given out to the students on the last day before the Easter holidays: Thursday 1 April 2010. It is a brief one-page report that records **attainment** and **effort** for all subjects.

## SECURITY

Parents, please ask your drivers to collect a JIMS security card as they drive into school. We now have a newly appointed Security Supervisor as we take the matter of security of your children very seriously. At present, there are a few drivers who refuse to accept the security card.

## CLASS PARTIES

While we welcome class parties for special occasions, we wish to point out that the teaching may be interrupted only for that **extraordinary** day, such as a birthday or a farewell when students leave Indonesia and won't be returning.

## PUNCTUALITY

It is important that students arrive at school on time. They must be ready to start class at 8.00 am, otherwise the teacher and all the other students in the class will be interrupted. Children who arrive late must collect a 'late pass' from the front office receptionist before being allowed into the class. This will allow the school to monitor that all students have been accounted for. We thank you for your cooperation in this important matter, so that we can teach students that punctuality demonstrates **politeness** towards other people in the class.

## NO EASTER HOLIDAY PROGRAMME

May we remind you that there is **no** holiday programme during the Easter holidays. The short holiday does not warrant a special programme, especially since many families will take a well deserved break during those 2 weeks.

## ASSEMBLIES

This Monday, 22 March, we'll have a performance by the Dragons (Year 4) at our 8am weekly Monday assembly. Parents are always welcome to come and watch these short presentations which are organised to build students' self confidence before an audience.

## TESTIMONIALS

If you feel the urge to write 2 or 3 sentences to recommend our school to future parents, please send me your messages by email ([ron@jimsch.org](mailto:ron@jimsch.org)) or simply hand write something and give it to the secretary who will pass it on to me. JIMS would like to use your compliments in our brochures and on the website. We thank you in advance for your positive comments on any aspect of life at JIMS.

## LOST PROPERTY

We are constantly faced with the problem of lost property. **Please mark your child's possessions and clothes.** Ms Windri (Penguins) looks after all lost property and has a basket full of items that were found around the school. Please go and see her to check that none of the uniforms, books, bottles, etc. are yours.

Kind regards
