- 23rd Oct
JIMS Primary UN Day
- 24th Oct
Grand Opening!
- 7th Nov
Curriculum Seminar
- 12-13th Nov
Year 1 to 4 Camp

Congratulations Java!

What a day it was! Last Friday the students arrived wearing their house colours, many going to extraordinary lengths to display support for their house; hair spray, face paint, glitter and even wigs!

The students participated in a variety of events in the hall before having a quick break and heading out to the pool. All involved should be congratulated for their amazing efforts and enthusiasm. In the end it was the mighty Java team that came out on top!

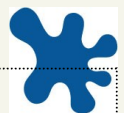

A special thank you to all the parents who managed to join us for the day.

On Monday this week our two Year 10 students, Maria and Adinda completed

their Bahasa Indonesia Oral Examination. Both girls went very well and we congratulate them on their efforts.

Also on Monday the Hip Hop ASA group performed for the assembly. Next week we have the Drama group and they will be followed by the Ballet on October 26th. It is so wonderful to see our students developing their talents at the after school activities.

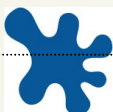

Next Friday the JIMS primary students will be celebrating UN Day. They will take part in a variety of different activities and be joined by the secondary students for an international Pot Luck lunch.

Save The Date
